

**DECLARATION OF THE CUSTOMS CO-OPERATION COUNCIL**  
**ON THE ILLEGAL WILDLIFE TRADE**

**(June 2014)**

**THE CUSTOMS CO-OPERATION COUNCIL<sup>1</sup> :**

**Recognizing** the serious threat posed by a significant increase in the illegal wildlife trade<sup>2</sup>;

**Reaffirming** the need to address the illegal wildlife trade, which jeopardizes the sustainability of populations through irreversible changes to the natural landscape and the reduction of biodiversity, as well as provides sources of funding to criminal groups and thus constitutes a threat to national and international security;

**Supporting** the principles of the Marrakech Declaration (a 10-point Action Plan to Combat Illicit Wildlife Trafficking adopted in May 2013), the London Declaration on the Illegal Wildlife Trade adopted in February 2014, and other international instruments dealing with this issue;

**Committed** to the implementation of the World Customs Organization (WCO) Action Plan for Combating Cross-Border Environmental Offences, adopted in February 2008 by the WCO Enforcement Committee, and to partnerships such as the multilateral effort within the International Consortium on Combating Wildlife Crime (ICWC) and bilateral engagement within the framework of the Memorandum of Understanding with TRAFFIC;

**Considering** the role played by Customs in the prevention and counteraction of illegal activities and the facilitation of legal trade, through the implementation of controls on the cross-border movements of goods, means of transport and persons;

**Acknowledging** that the majority of seized specimens of wildlife and wildlife products cannot be reintegrated into their natural habitat and can serve only as an indicator of the scale of the crime committed;

**Determined** to serve as an efficient and effective deterrent against the proliferation of this phenomenon;
