

RESOLUTION OF THE CUSTOMS CO-OPERATION COUNCIL
ON THE INTRODUCTION OF
PRE-ENTRY CLASSIFICATION INFORMATION PROGRAMMES

(June 1991)

RESOLUTION OF THE CUSTOMS CO-OPERATION COUNCIL
ON THE INTRODUCTION OF
PRE-ENTRY CLASSIFICATION INFORMATION PROGRAMMES

THE CUSTOMS CO-OPERATION COUNCIL,

NOTING that the Harmonized System has been widely adopted by countries and Customs or Economic Unions,

NOTING that many Customs administrations have implemented or intend to implement pre-entry classification information programmes on the basis of the Harmonized System,

RECOGNIZING the benefits of pre-entry classification information programmes in facilitating international trade, in particular, by ensuring certainty and predictability in the application of the Harmonized System,

RECOGNIZING that such programmes are also useful for promoting uniform classification in the Harmonized System,

EXPRESSES THE WISH that Member administrations and Contracting Parties to the Harmonized System Convention take all appropriate action to introduce pre-entry classification information programmes as soon as possible.
