

RESOLUTION OF THE CUSTOMS CO-OPERATION COUNCIL
CONCERNING THE PREVENTION OF ILLICIT TRAFFIC
IN NARCOTICS, STIMULANTS AND SIMILAR SUBSTANCES
(7th JUNE 1967)

THE CUSTOMS CO-OPERATION COUNCIL,

NOTING that illicit traffic over the frontiers in narcotics, stimulants and similar substances has increased in alarming proportions and

that the increasing abuse of such substances has given rise to serious medical and social problems in many countries,

CONVINCED that action against this illicit traffic can be made more effective by closer co-operation between the authorities concerned in the different countries,

HAVING REGARD to the Recommendation of the Customs Co-operation Council on mutual administrative assistance,

INVITES Members to develop as far as possible mutual assistance between their Customs Administrations in preventing and detecting this illicit traffic and, to that end, to ensure maximum co-operation between the Customs Administrations and the national and international authorities concerned with the control of the manufacture, distribution and use of narcotics, stimulants and similar substances.
