

RESOLUTION OF THE CUSTOMS CO-OPERATION COUNCIL
CONCERNING THE MOBILIZATION OF MEMBERS' RESOURCES

(June 1988)

RESOLUTION OF THE CUSTOMS CO-OPERATION COUNCIL
CONCERNING THE MOBILIZATION OF MEMBERS' RESOURCES

The CUSTOMS CO-OPERATION COUNCIL,

OBSERVING that, in addition to the budget contributions provided for by the Convention establishing the Council, substantial other resources in cash or in kind can be made available by its Members on a voluntary basis,

NOTING that these additional resources have played a vital role in the implementation of the Customs Co-operation Programme created by the Seoul Declaration (1984) and have increased the ability of the Secretariat to respond to Members' needs,

NOTING that human resources can be contributed, in particular, by seconding officers to the Secretariat, by providing experts for specific projects, and by assisting Members and the Organization at the regional level,

CONSIDERING that increased voluntary contributions will enable the Organization to become more effective and develop its activities to the benefit of all its Members,

NOTING that such contributions should be focused on priority activities, as determined by the Members at the annual Sessions,

URGES all Members to support the Organization by providing human and other additional resources for the accomplishment of its goals,

INSTRUCTS the Secretary General :

- to advise Members of the priority areas in which needs for additional resources arise and of the ways in which they can be supplied,
- in addition, to develop future training programmes of the Council at regional level, using the facilities available in Member Administrations,
- to submit an annual report on the implementation of this Resolution.
