1. INTRODUCTION

The World Customs Organization (WCO) is an independent intergovernmental body, established in 1952 as the Customs Co-operation Council (CCC), whose mission is to enhance the effectiveness and efficiency of Customs services across the globe. The WCO represents 184 Customs administrations that collectively process approximately 98% of world trade. As the global centre of Customs expertise, the WCO is the only international organization with competence in Customs matters.

As a forum for dialogue and exchange of experiences between national Customs delegates, the WCO offers its Members a range of Conventions and other international instruments, as well as technical assistance and training services provided either directly by the Secretariat, or with its participation. The Secretariat also actively supports its Members in their endeavours to modernize and build capacity within their national Customs administrations.

2. OVERVIEW

The WCO Security Programme currently has five Programme areas and one regionally focused Security project. The Security Programme is part of the WCO’s Enforcement and Compliance Sub-Directorate which focuses on assisting WCO Members to implement their Enforcement and Security mandates, through the provision of guidance and through training, awareness raising and capacity building activities. The West Africa Security Project (WASP) was established in 2021 and conducted an assessment phase for 6 months which produced an Implementation plan for phase two. Phase two will start from October 2022 and will involve the implementation of an adapted version of the
implementation plan over a 15 month period. The beneficiary countries are Côte D'Ivoire, Ghana, and Togo.

3. PROJECT BACKGROUND

The West Africa Security Project is a project delivered by the WCO in conjunction with the German General Customs Authority, and financed by the German Federal Foreign Office. The West African Security Project is the largest element of this funding which also addresses senior management and gender equality in the beneficiary countries. The WASP is focused on improving Enforcement and Security processes and procedures in the beneficiary countries with a goals of restricting access to materials and finance to criminal and terrorist groups operating in West Africa. An implementation plan was produced by the WASP in 2021 and the Project will focus on the implementation of these recommendations.

The Project is based on a phased delivery approach, this phase will be delivered over 15 months, and towards the end of the project WCO will discuss with donors about the implementation of further phases and additional activities.

Two trainers are required, one to delivery training to Francophone beneficiaries and another to Anglophone beneficiaries.
