The Harmonized System Committee interprets the HS legal texts to secure uniform classification of goods, including settlement of classification disputes between contracting parties, and amends the HS legal texts to reflect developments in technology and changes in trade patterns.

INTEGRITY SUB-COMMITTEE
The Integrity Sub-Committee evaluates the WCO Integrity Plan and Integrity-related tools, ensuring that Members’ needs and views are included, and acts as a focal point for all integrity-related issues within the WCO and among its Members.

POLICY COMMISSION
The Policy Commission submits policy recommendations and the WCO Strategic Plan to the Council.

PRIVATE SECTOR CONSULTATIVE GROUP
The Private Sector Consultative Group informs and advises the WCO Secretary General, the Policy Commission and WCO Members on Customs and international trade matters from the perspective of the private sector, in addition to issues related to the implementation of the SAFE Framework of Standards.
