We offer advanced shipping services, customs clearance, warehouse management and logistics support products. We constantly strive to enhance our relationships with core air and ocean transportation partners from whom Savino Del Bene demands the highest quality and flexibility to give the best services and competitive rates. The experience in various markets areas makes our Company a reliable partner for all kind of business, as we are able to move goods that need to be shipped. For over 100 years and with our customers valued support, we have kept an eye on future global challenges, ensuring the certainty of our long term mutual success.

**Savino Del Bene**, whose name is homonymous of its founder, started up in Florence, Italy at the beginning of the 1900's. The company’s early focus was to develop freight forwarding services primarily towards the USA. Today, Savino Del Bene is a group with a worldwide network specialized in logistics and supply chain management, offering a wide range of services both for ocean, air and truck shipments to and from every destination. Savino Del Bene is a one-stop transportation provider with more than 2900 employees, 140 own branches and 65 subsidiaries offices, and with the support of more than 100 selected agents.
