Dangerous Goods

Civil Aviation Safety Regulations forbid the carriage of most items of Dangerous Goods onto an aircraft.

Firearms and Ammunition

We may agree to carry firearms and ammunition as checked baggage. If we do these items must be packed in accordance with all applicable national and international laws and regulations.

Note: No sharp items are allowed past the security screening points. Sharp items should be packed in your checked baggage. Any sharp items found in your carry-on baggage will be removed and not returned.
