Dear Director General,

I am pleased to inform you of the **WCO-Japan Career Development Programme 2021/2022**, to be held from September 2021 at the WCO Headquarters. Funds for this Programme will be provided by the Japanese Customs Administration.

The main objectives of the Programme are to promote the involvement of Members where neither of the two official WCO languages is widely spoken; to provide developing-country Members with an opportunity for selected candidates to undertake work at the Secretariat as a Professional Associate to obtain knowledge, skills and international work experience; to develop and enhance networks among WCO Members and the Secretariat; to support and assist the Secretariat in its missions, work and tasks; to enhance the research function of the WCO; and to develop a pool of highly competent officials with expertise in Member administrations.

Under this Programme, the selected Customs officials will spend approximately ten months, starting from September 2021, at the WCO Secretariat and thus gain valuable international experience. Each official will be assigned to an area of work which is commensurate with his/her skills. If you wish to nominate a candidate for this Programme, please return the attached nomination form (Annex I) and application form (Annex II) duly completed by your Administration and the candidate respectively, to the Office of the Secretary General by email (careerdevpro@wcoomd.org) **by Monday, 29 March 2021**. Please note that applications received after the deadline will not be considered.

Along with the application documents, it is also required that each Administration nominating one or more candidates sends a formal letter on behalf of the Head of Administration addressed to the WCO Secretary General where the names and the positions of the nominees are stated. It should be noted that **Administrations are expected to nominate no more than three candidates**.

More detailed information on the Programme, including the conditions of service, is set out in Annex III. When the officer joins the Programme, a Tripartite Agreement between the WCO, the Member administration and the selected applicant from that Member administration will be signed. The draft agreement, subject to the change in due course, is attached as Annex IV for your information. If you have any questions or need clarification regarding this Programme, you may contact Mr. Tadashi Yasui, the Manager of the Programme and/or Ms. Varduhi Tovmasyan, Coordinator of the Programme by e-mail: careerdevpro@wcoomd.org or phone (+32 2 209 96 45 and +32 2 209 9622 respectively).

I look forward to receiving nominations of good candidates for the WCO-Japan Career Development Programme.

Yours sincerely,
