Value Proposition [Benefits] of the Initiative / <u>Existing Practice</u>	
<p>Customs Administration of Belarus has launched a pilot project on automatic Customs clearance of express delivery items with a value less than 22 Euros, if they are declared by customs broker. This process does not involve the participation of Customs officers.</p> <p>In addition, within the framework of new Customs Code of the Eurasian Economic Union new approaches are being developed for the Customs regulation of the goods shipment concerning international postal and express delivery items.</p>
