

Italian Customs and Monopolies Agency
24 March 2020

As regards publications and guidance material associated with the COVID-19 state of emergency, a section has been created on the website of the Italian Customs and Monopolies Agency (www.adm.gov.it) called EMERGENZA COVID 19 where you may find:

- the guidelines issued by the Director General as to the four core business areas (Customs, energy and alcohol, tobaccos and games) for trade associations and the relevant stakeholders.
- Communiqués drafted by the central technical customs directorates in the above specified core business areas; and
- All information regarding the opening times of the customs offices linked to the current state of emergency.
