

**POSITION OF
CONTRACTING PARTIES TO THE HARMONIZED SYSTEM CONVENTION
AND NON-CONTRACTING PARTY ADMINISTRATIONS**

INTRODUCTION

Annex I to this publication contains a matrix with information regarding the position of the Contracting Parties to the Harmonized System (HS) Convention, and provides information about progress with the implementation of the 2017 edition of the Harmonized System and the acceptance of the various HS-related Recommendations. This publication also provides information regarding the use of the Harmonized System by non-Contracting Party Administrations.

Where the implementation of the 2017 edition of the Harmonized System is concerned, Annex I shows that, as of 31 July 2018, out of 157 Contracting Parties, 88 have notified the Secretariat, on its request, that they have implemented the amendments to the HS Nomenclature effective from 1 January 2017, and 30 Contracting Parties implemented between 1 January 2017 and 31 July 2018 (in total 118 Contracting Parties). In addition, nine Contracting Parties indicated in their response that they expected to implement the HS 2017 amendments by the end of 2018, bringing the total number of Contracting Parties having implemented HS 2017 to 127.

For the time being, four Contracting Parties specified the anticipated implementation date as to be decided (reflected as TBD in the HS 2017 column). "NA" in the HS 2012 and HS 2017 column indicates a new Contracting Party to which HS 2012 or HS 2017 is not applicable. Information in the HS 2017 column given in *italics* indicates that the HS 2017 implementation date is to be established. "2007" in the HS 2012 column indicates that only the use of the HS 2007 has been confirmed to date by a Contracting Party. Blank boxes in the HS 2017 column indicate that no response of the use of HS 2017 has been received by the Secretariat to date (in total 25 Contracting Parties). Blank boxes both in the HS 2012 and HS 2017 columns indicate that the Secretariat has not received any confirmation of use of HS 2007, HS 2012 and HS 2017 by a Contracting Party (in total five Contracting Parties).

The table constitutes a reference published by the WCO Secretariat for the purpose of transparency and has no legal or official status.

Annex II to this publication contains a list with the addresses of Internet pages of national and international electronic Customs tariffs of HS Contracting Parties and non-Contracting Parties Administrations.
