E-Commerce:
Game changer for Customs, Trade and Consumers

The WCO/AFIP side event on E-Commerce organized in the margins of the Eleventh WTO Ministerial Conference will provide an opportunity to reaffirm the WCO's commitment in developing policy and operational frameworks for effectively managing cross-border E-Commerce from both a facilitation and a control perspective, as well as to demonstrate its strong commitment to supporting the WTO's work programme on electronic commerce moving forward. The session will discuss how cooperation between all relevant stakeholders can assist in addressing the challenges and opportunities Customs, Trade and Consumers are facing with the exponential increase in E-Commerce trade.
