# Introduction and Importance of Including Free Zones in the AEO Programme

# Introduction and Importance

Since 2010, SAT of Guatemala, through its Customs Intendency, has implemented the Authorized Economic Operator (AEO) Programme.

The AEO Programme is based on a legal framework that ensures programme transparency and high standards of security and compliance among certified operators.

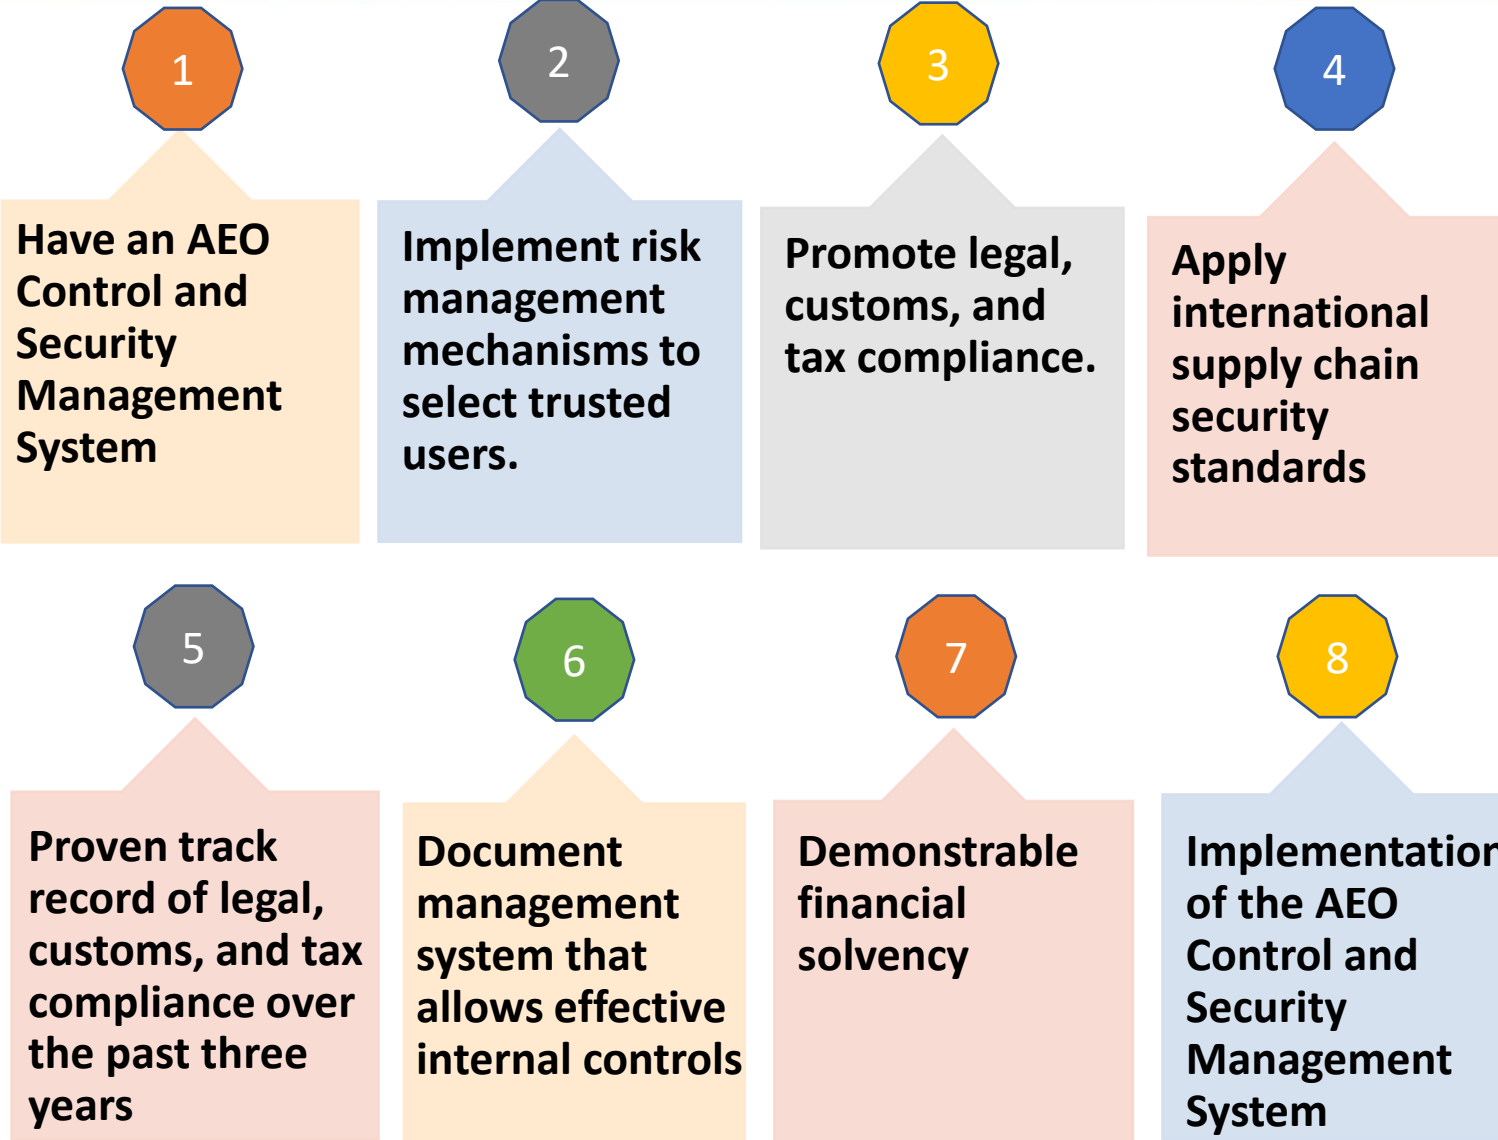

SAT promotes AEO certification as a strategic tool to modernize customs administration and strengthen global trade partnerships.

# Requirements for AEO Certification in Free Trade Zones

# Requirements

# Benefits of AEO Certification in Free Trade Zones

# Benefits

1

**Priority attention from the SAT**
