RECOMMENDATION OF THE CUSTOMS CO-OPERATION COUNCIL * ON THE USE OF STANDARD UNITS OF QUANTITY TO FACILITATE THE COLLECTION, COMPARISON AND ANALYSIS OF INTERNATIONAL STATISTICS BASED ON THE HARMONIZED SYSTEM

(25 JUNE 2026)

THE CUSTOMS CO-OPERATION COUNCIL,

CONSIDERING that one of the stated aims of the Harmonized System is to facilitate the collection, comparison and analysis of international statistics,

HAVING REGARD to the obligation under Article 3 of the Harmonized System Convention for Contracting Parties to establish their Customs tariff and statistical nomenclatures on the basis of the Harmonized System,

CONSIDERING that standardization and harmonization of units of quantity used in the compilation of statistical data relating to international trade and transport are regarded by the United Nations Statistical Commission as important means of improving the quality and further facilitating the collection, comparison and analysis of such data,

CONSIDERING that such standardization and harmonization of units of quantity also constitute effective measures for standardizing and facilitating the transmission of data by means of electronic data interchange (EDI),

NOTING the work carried out by the Harmonized System Committee in this field,

RECOGNIZING that the adoption of internationally agreed standard units of quantity by administrations for the purpose of reporting international trade data will not prevent them from using, in addition, other units of quantity or from using units of quantity that are convertible directly to the standard units, in their statistical nomenclatures,

HAVING REGARD to the amendments to the Harmonized System accepted by the Contracting Parties to the Harmonized System Convention that have been accepted as a result of the council recommendations of 26 June 2025 in accordance with Article 16 of that Convention, which will enter into force on 1 January 2028,

TAKING ACCOUNT of the need to revoke the Council Recommendation of 24 June 2021 on the use of standard units of quantity, which refers to the 2017 version of the Harmonized System,

REVOKES the Council Recommendation of 24 June 2021 on the use of standard units of quantity,

REQUESTS Member administrations and Contracting Parties to the Harmonized System Convention to notify the Secretary General of their acceptance of this Recommendation and of the date of its application and, in the case of partial acceptance (i.e., some standard units being not accepted), to specify which standard units have not been accepted and to indicate what units are used instead.
